Scholarship Recipient comments

Amelia M. Kellner—2011

I am honored and extremely pleased to receive this scholarship from NAWIC. I am a full time student at Scott Comm. College enrolled in "Applied Technology Building" and learning the trade of HVAC. I hope to be accepted into the Local UA 25 HVAC-R apprentice program.

Byranna McManus—2011

I would like to express my gratitude to NAWIC QC #50 for this scholarship. This fall I will begin my final year in the Masters of Architecture program. This past spring I studied in Copenhagen, Denmark and was able to see firsthand many buildings I studied in college.

Stephen Saylor— 2011

Thank you for selecting me to receive this scholarship. I'm happy to tell you I graduated from Morrison Institute of Technology Summa Cum Laude. This fall I will attend Southern IL Univ. majoring in Technical Resource Mgt. with an emphasis in Surveying & Construction Mgt. Again I wish to express my gratitude.

NAWIC

National Association of Women in Construction

2011 NAWIC SCHOLARSHIP AUCTION

November 4, 2011

**Holiday Inn
Rock Island**

**226 17th St.
Rock Island, Illinois**

What is NAWIC

NAWIC is the National Association of Women in Construction, an international not-for-profit corporation comprised of women employed in various construction-related fields which promotes that industry and supports the advancement of women within it.

The National Association of Women in Construction (NAWIC) was founded in Fort Worth, Texas in 1955. Since it's founding, NAWIC has grown to a membership of 5,500 with more than 160 chapters in almost every U.S. state.

In 1996 NAWIC signed an International Affiliation Agreement with NAWIC-Australia. Australia already has 11 chapters throughout it's borders. In 1998, NAWIC signed an International Affiliation agreement with New Zealand, another in 1999 with South African Women in Construction (SAWIC), another with Great Britain in 2003 and another with Canada in 2006.

In its 56 years of service to its membership, NAWIC has advanced the causes of all women in construction whose careers range from business ownership to the skilled trades.

The Purpose Of Our Auction

For more than 32 years, the NAWIC Education Foundation has offered creative and educational programs for students from grade school to high school. The Quad Cities Chapter #50's main objective is to promote education and contribute to the betterment of the construction industry. To further this goal, our chapter annually awards scholarships to students pursuing an education in a construction-related field. Since beginning our Scholarship Program in 1964, we have awarded \$164,000 in scholarship funds. These scholarships are made possible solely through funds raised at our Annual Scholarship Auction. All items presented for auction are donated by local businesses, associations, groups, clubs and individuals who share in the NAWIC commitment to facilitate the education of our youth, particularly those who are the future of the construction industry.

Why Donate

Some of our past recipients would not have been financially able to pursue a course of higher learning had they not received a NAWIC Scholarship. With your donation today, you will experience the gratification that comes with knowing you have played a vital role in the education of our future construction industry leaders.

Your donation does make a difference! Please don't miss out on this opportunity to give something back to your community. All those making donations will receive recognition in the Auction Program distributed at this event.

Please bring your friends, families, neighbors and co-workers and join us on November 4th for a delicious dinner, good company and an opportunity to take home some exceptional bargains. We thank you for your kind support and look forward to seeing you at our 21st Annual Scholarship Auction.
