National Association of Women in Construction

Quad City Chapter #50

P.O. Box 3271 • Davenport, Iowa 52808

February 15, 2011

An Invitation to Owners, Architects, Engineers, Contractors and Suppliers:

Please mark your calendar for Thursday, **August 11, 2011**, 6:00 p.m. Quad City Chapter No. 50 of the **National Association of Women In Construction** cordially invites you to attend our presentation banquet as we honor those who have been a part of construction in the Greater Quad City area during 2009 and 2010. Enjoy an evening at the Radisson Hotel, Davenport, Iowa, as we celebrate construction in the Quad Cities. Reservation forms will follow.

Quad City Chapter No. 50 of the **National Association of Women In Construction** is now accepting nominations for their 2009 - 2010 Lorraine D. Wright Construction Awards. The purpose of this award is to recognize outstanding construction projects based on structure, beauty, and harmony of the project with its environment.

Nominations for all projects completed in calendar years 2009-2010 will be accepted (Note: self nominations are accepted). Projects must be located within the greater Quad City area. A panel of qualified judges will select outstanding nominees. All nominated projects will be recognized during the presentation.

For each project you wish to nominate, please complete a nomination form and return it no later than **March 31, 2011** to Deb Swift, [swifttk@kjww.com](mailto:swifttk@kjww.com), or fax to (309) 786-5967. Nomination forms may also be submitted by mail to Deb Swift, KJWW Engineering Consultants, 623 26<sup>th</sup> Avenue, Rock Island, Illinois 61201.

Four digital photos of each nominated project are required (before and after pictures are required for Remodel/Addition/Restoration projects). Please forward the photos to Deb Swift by e-mail to [swifttk@kjww.com](mailto:swifttk@kjww.com), or on a CD to KJWW Engineering Consultants, 623 26<sup>th</sup> Avenue, Rock Island, Illinois 61201, no later than **June 1, 2011**.

A short description of each nominated project (maximum of 100 words), which may include square footage, unique elements/materials, and reason for remodel/addition, or anything that would support the judging criteria of structure, beauty, and harmony of the project with its environment, will be required to assist the judges in evaluating the nominated projects. The description can be included on page 3 of the nomination form (preferred) or submitted with the photos.

If you have any questions, please contact Deb Swift at KJWW Engineering Consultants (309) 793-3330.

Constructively Yours,

Deb Swift  
Construction Awards Committee Chair
