BOARD OF DIRECTORS:

Well as we come closer to fall the weather is starting to cool off some. Hurricane season has begun and hopefully the eastern coast will not be too damaged. I think we have had enough weather related problems this year so far.

To all the members who will attend Convention in St. Louis, I hope you have a wonderful time seeing the sights and enjoy the seminars.

Chapter 50 is celebrating our 50th Anniversary this year at Founders Day when the new board takes over which coincides with our auction theme. Let us get some great auction items for our upcoming scholarship auction.

I find it hard to believe that my year as being President is over. It went by so quickly. I have enjoyed working with everyone on the committees and would like to welcome in the new Board as we begin another year. I would like to remind everyone on the old board and the new one that there is a board meeting on September 19th and this is where the old Board will be closing out and the new Board will be beginning.

Good luck and Best Wishes

Gina Jackson
