Hi Ladies

(From: Helena Johnson, Project Coordinator, NAWIC President-Elect & Membership Chairperson)

I was just thinking this morning about stuff in general and I thought I would do a calculation to see how long our regional members have been with us. So I ran the report and did some formulas and below is a listing of members within our region alone that have 15 years or more with NAWIC. This is phenomenal! I did not expect to see this many names on the list. We have 54 members with 15 years or more. That is 20% of our membership! And there are dozens at the 10 year mark.

Since we are in the renewal period I encourage you to use this information to motivate your members to renew and get involved in the organization. Good luck and let's keep our retainage percentages up there!
